

Senioritis

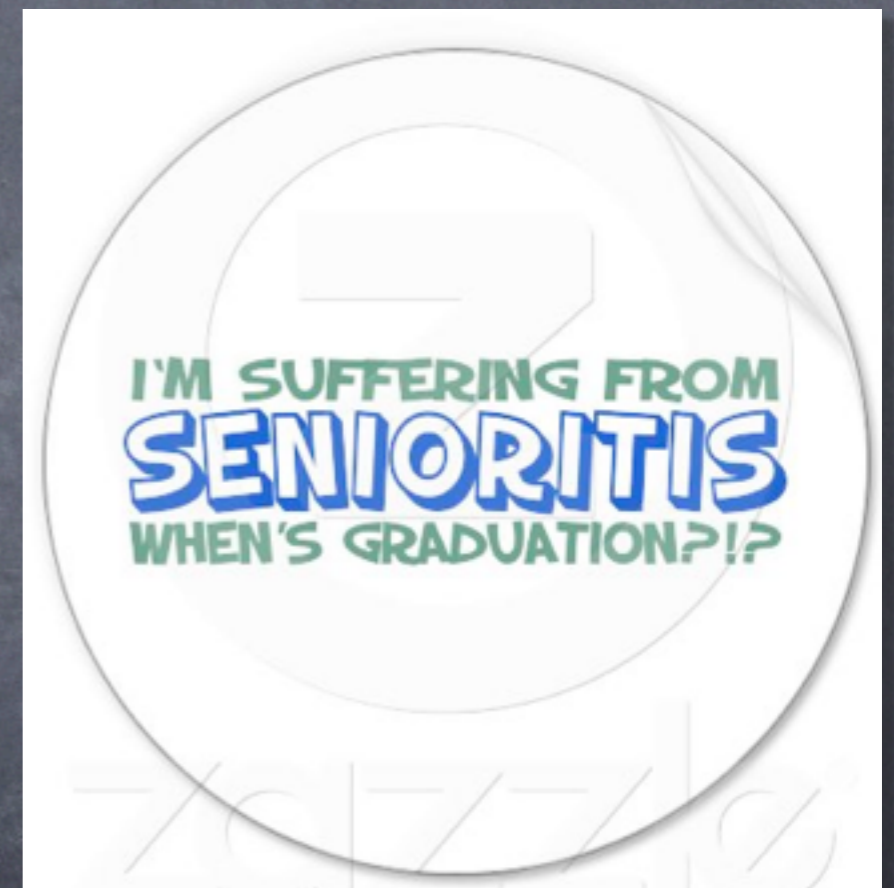

What is it?

What can we do about it?

What is Senioritis?

A crippling disease that strikes high school seniors. Symptoms include: laziness, an over-excessive wearing of track pants, old athletic shirts, sweatpants, athletic shorts, and sweatshirts. Also features a lack of studying, repeated absences, and a generally dismissive attitude. The only known cure is a phenomenon known as Graduation.

Problems Associated with Senioritis

- Possible loss of college acceptance
- Possible negative impact when changing courses or colleges
- Possible damage caused at job interviews
- Re-inforces concepts of laziness and doing less than your best
- Can damage reputation, relationships and credibility
- Can cause others to become distracted from their studies
- Expensive for parents!
